Uh Oh (4x)

Honestly, if i tell tell you what  
What you wanna know love  
There aint another, don't want no other lover,  
I put nothin' above ya', i kick 'em to the gutter  
You try to shake me wind up lovin' me crazy  
Now look at us lately and tell them who's ya lady

(Chorus)

I never thought you'd be the one  
Make me shine brighter than the sun  
There aint no ups and downs no when and now  
To here right now  
If you want me to stay i'll never leave if you want me to  
stay we'll always be  
If you want me to stay love endlessly if you want me to  
stay if you want me to stay i'll never leave you

Uh Oh (4x)

Never your lovin' lack  
We're happy it's a fact  
Cant nothin hold us back  
We got this in the bag  
There aint no maybes no questions  
Love you daily now look at us lately  
And tell them who's your lady

Chorus

Uh Oh (7x)
