Bounce
Bounce Bounce
Bounce Bounce
Bounce Bounce

Bounce, bounce
Bounce along
(Baby)
Bounce, bounce
Bounce along
Bounce, bounce
Bounce along
(Oh)
Bounce, bounce
Bounce along

Beautiful girl I mess wit you
Wish you would love me I progress one
She gave me what I've been looking for
Says she wants a man like me in her life
Not from the Minta Minta goals alright
She talk about her lady's every night

I don't wanna talk about
What I had before
So what I wanna do right now
Is give you love galore
Baby

Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along
Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along

Maybe all I believe is what seen in you
Love every single thing you do
Clearly I can see you want me too
Lately I've been talking to my self
Saying I don't need nobody else
'Coz all I'm searching for I found in you

I don't wanna sleep alone
Without you in my bed
'Coz when you're not around my love
You're messing up me head
Baby

Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along
Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along

Beautiful girl I mess with you
Wish you would love me I progress one
She gave me what I've been looking for
Says she wants a man like me in her life
Not from the Minta Minta goals alright
She talk about her lady's every night

I don't wanna talk about
What I had before
So what I wanna do right now
Is give you love galore
Baby

Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along
Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along

Bounce, bounce
Bounce along
Bounce, bounce
Bounce along
Bounce, bounce
Bounce along
Bounce, bounce
Bounce along

Bounce, bounce
Bounce along
Bounce, bounce
Bounce along
Bounce, bounce
Bounce along
Bounce, bounce
Bounce along

I don't wanna sleep alone
Without you in my bed
'Coz when you're not around my love
You're messing up me head
Baby

Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along
Bounce along, bounce along

Bounce along, bounce along
Only you can turn me on
Bounce along, bounce along
