When I see you I see sunshine  
Clear skies of blue, everytime I look at you  
You and I sippin' on red wine  
I'm so much into you  
Girl my love is overdue

Definitely I want this to be  
So baby come to me, you look full and so lovely yea  
Definitely I want this to be  
You're like the air I breathe, you're my ebony

If lovin' you is wrong I don't wanna be right o right  
And being bold as I am I gonna tell you that you're  
dynamite  
It's not a secret love so baby come on into the light yea  
Let me love you better

So definitely I want this to be  
So baby come to me, you look full and so lovely yea  
Definitely I want this to be  
You're like the air I breathe, you're my ebony yea

Definitely want  
Definitely want
