Marie I don't want us to be over,  
want us to be lovers till the end girl  
between love and hate there's nothing low girl  
but I don't want things to change,  
I want to be like always.

Chorus:

Like first time, like we used to make sweet love  
like first time, everything went so right  
like first time yeah, and I remember getting all  
I don't wanna live of memories, no

It hurts me just to see you crying baby  
said I keep messin time in time yeah  
baby believe me when I say that  
I don't want things to change  
want it to be like always

Chorus:

Like first time, like we used to make sweet love  
like first time, everything went so right  
like first time yeah, and I remember getting all  
I don't wanna live of memories, no

Baby we can work it out yeah  
give me the benefit of yall  
even though we know just what it is  
where is that your time,  
if I could just rewhine and bring it back for what it was

Chorus:

Like first time, like we used to make sweet love  
like first time, everything went so right  
like first time yeah, and I remember getting all  
I don't wanna live of memories, no

For real I don't wanna this to be over baby  
wanna still be lovers still be end girl  
between love and hate there's nothing love girl  
but I don't want things to change,  
I want to be like always.

Like first time, like we used to make sweet love  
like first time, everything went so right  
like first time yeah, and I remember getting all  
I don't wanna live of memories, no
