[Chorus]

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Oh girl, there is no way that I could walk away

Baby believe me when you hear me say

Feels so good to waking up with you

Remind I cry baby

Like a breath of fresh air when window's open

Promise I made but can't be broken

Baby I will never ... one but you, love

[Chorus]

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Girl I'm so glad to have you in my life

You never do me wrong, you always do me right

Always there to satisfy my needs

Don't wanna replace it

Deep in my heart I should be thankful

You never leave my side I'm always cheerful

For now and forever I be wanting more, oh

[Chorus]

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Girl you bring me lovely days, everytime I see your smile

You take my clouds away, on a rainy days

Girl it's you I admire, the one I desire

My soul is on fire, and itâ€™s burnin
So I send down a prayer, to the one whoâ€™s
And I tell him, donâ€™t ...me

[Chorus] x 2

Girl you bring me lovely days, everytime I see your
smile

You take my clouds away, on a rainy days

Girl you bring me lovely days, everytime I see your
smile

You take my clouds away, on a rainy days.
