Have you been brokenhearted once or twice  
if it is yes how did you feel like at his first lies  
if it is no you need a good advice.

Never marry a Railroad Man  
he loves you ev'ry now and then  
asfar ahead as a mule train  
don't fall in love with a Railroad Man.  
If you do forget him if you can  
you better off without him  
oh.

Have you ever been restless in your bed  
and so lonely that your eyes became wet  
let me tell you then one thing

Never marry a Railroad Man  
he loves you ev'ry now and then  
asfar ahead as a mule train  
don't fall in love with a Railroad Man.  
If you do forget him if you can  
you better off without him  
oh  
mmm no  
no  
no  
no  
no  
no.
