"Whispering"

Honey I have something to tell you

And it's worth while listening to

Put your little head on my shoulder

So that I can whisper to you

Chorus:

Whispering while you cuddle near me,

Whispering so no one can hear me

Each little whisper seems to cheer me

I know it's true

There's no one dear, but you,

You're whispering why you'll never leave me

Whispering why you'll never grieve me

Whisper and say that you believe me

Whispering that I love you.

When the twilight shadows are falling

And the weary world is at rest

Then I'll whisper just why I know dear

Loving time is always the best
