Yeh Yeh Yeh Yeh

Waking up in the mornin, sunlight
gotta have some fun!
its ladies night and we're gettin sexy on the dance floor
i got my jeans on
skin tight do it right
wet lips
my hips
swingin from side to side
move ur body shake ur body get naughty naughty
move ur body shake ur body get naughty naughty
go in to the club like lets go
boys tryin to holla like u know
shakin that thing like uh oh
lets go lets go!

Baby! I see you look at me, across the floor with much
anxiety.

Let it be this is the man for me
coz in the end you know its destiny!

Move ur body shake ur body get naughty naughty
move ur body shake ur body get naughty naughty
go in to the club like lets go
boys tryin to holla like u know
shakin that thing like uh oh
lets go lets go!

(music)

You think your gettin the guy
(oh girl dont even try)
You think I can't see
Whats right in front of me.

But Oh!
The Draws, show up unexpectedly

You may have friends before but now your

disrespecting me!

move ur body shake ur body get naughty naughty
move ur body shake ur body get naughty naughty

move ur body shake ur body get naughty naughty
move ur body shake ur body get naughty naughty

move ur body shake ur body get naughty naughty
move ur body shake ur body get naughty naughty

goin to the club like lets go
boys tryin to holla like u know
shakin that thing like uh oh
lets go lets go!
