Chorus:

on the loose to climb a mountain

on the loose where i am free

on the loose to live my life

the way i think my life should be

for i'll only have a moment,

and a whole world left to see

i'll be searching for tomorrow

on the loose

have you ever seen a sunrise turn the sky completely
red

have you slept beneath the moon and stars, a pine
bough for your bed

can you sit and talk with friends although no word is
ever said

then you're just like me and you've been on the loose

chorus

there's a trail that i've been hiking just to see where it
might go

many places yet to visit, and many people yet to know

and in following my dreams i will live and i will grow

on a trail that's waiting out there on the loose

chorus

so in search of love and laughter i'll be traveling 'cross
this land

never sure of where i'm going, for i haven't any plan

but in time when you are ready, come and join me, take
my hand

together we'll explore life on the loose

chorus

as i sit and watch the sunset and the daylight slowly
fades

i'm thinking 'bout tomorrows, about friendships we
have made

i'll value them for always and i hope you'll do the same

forever we'll explore life on the loose
