Verse One: WC

police sirens throughout song

Last man standin', I'm shot

But I can't fear bleedin'

My nigga's face down, stretched out, no longer
breathin'

I'm speedin', pump eatin', swervin' in the G and
Red & blue lights and squad cars is all I'm seein'

I told you motherfuckers "No moves, no altercations"

Now it's half a tank a gas and a hostage situation

I'm facin', 25, with the 'L' so I'm stompin'

I can't shake One-Time bitch, I swear I'm dumpin'

Helicopters trailin' my ass, won't surrender

Only thang I'm givin' up is hollow points and middle
fingers (fuck y'all!)

Whoever set this shit the fuck up, done got us fucked
up

Runnin' outta time, and shit outta luck

Take that! *2 gunshots*

I ain't goin' down mothafucka'!

Take this! *2 gunshots*

My car roof could suck my dick!

I'm on a high-speed chase, with two money bags,

woman screams and a

screamin' ass BITCH

It's All Bad!

Chorus: WC w/ cops

[cops] "Possible 211 suspect driving southbound on
the 215 driving an '84

Cutlass Supreme. Believed to be armed. Please

believed to be a black male
carrying female hostage. We got a runner fellas."
