[Intro]

Yea . .

Turn the music up a little bit . . .

[*Nate Dogg in background] Dah-dah-daaah

Uh, yea

Lah-dah-daaah

A little bit louder . . right there

Dah-dah-daaah

[Nate Dogg] In the name of the streets

[Verse]

Click click bu ya! Dub kicked the frame in (uh huh)

Nigga let the games begin, as I standin'

Tossed the tall can on a campus off the limital

scanners takin' penitentiary chances

Sick wit it, off the ric wit it

Blue beanie knitted; freshly acquitted

Grind-grimey, the big body and the big body

Wit lyrics and 'draulics hotter than the Majave

Sellin', brubble bellin', career felon

Escalade 3-braid beer wearin'

Fuck it, I thug for free and thug to eat

Niggas call me "Home of Cake" cause I love the cheese

Gangstas, hustlas, pimps, if ya follow me

Let me see ya put them hands up like a robbery

I solemnly swear to stay down and slang the seed

I spit in the name of the streets

[Chorus: Nate Dogg + W.C.]

I'm gonna roll (I'm gonna roll)

I'm gon' stay fly (I'm gonna stay fly)

I'm gonna bust (I'm gonna bust)

Hold my hood up high (throw my hood up high)

In the name of the streets

I'm gonna roll (I'm gonna roll)

I'm gon' rich ride (I'm goin' rich ride)

I'm gonna ball (I'm gonna ball)

Hold my hood up high

In the name of the streets

[Verse]

This is for them geniuz
Da best is my East niazz
Both sides street niazz
This is for them DJ's coast to coast movin' this
Spin-ni-nin them turntables that bomp the Ruvian
Smashous, best trap us for cash and dump a blunt at
ya's
Outta the mix-classes, this is for them riders, ridin' for
the mims
Ghetto ass niazz on them big shiny rims (uh huh)
Thrashin', you're back at ya, bring a debassa'
Got dropping on your drastic, another hood classic
Dump the "Ghetto Heisman" singing "more cabbage"
A street niazz livin' on seek and kill status
Unlock the racked Def Jam cock it back
Recess is over, I want my spot back
Who's the next? I preceded to blow coming at 'em
I'm in a mink coat and Spacey gat 'em
You're lookin' at 'em

[Chorus]

[Bridge: Nate Dogg]

I told a woman I don't love her but she wants to go
I told another that I want her but she wants to hoe
I ain't a hater I'm a player so I fucked 'em both
In the name of the streets

[Outro]

[*Nate Dogg in background] Dah-dah-daaah
Yea . . .

Lah-dah-daaah
Dub-C . . .

Dah-dah-daaah
The "Ghetto Heisman" . . .
[Nate Dogg] In the name of the streets
Swangin' through a hood near you
[*over last line of outro] Dah-dah-daaah

Lah-dah-daaah

Dah-dah-daaah
[Nate Dogg] In the name of the streets
