Verse One: WC

Nigga clear the lane, here I come, once again

With this, gangsta click, droppin this, gangsta shit

Strictly for the riders who ride us I gotta WestSider

rhymer for them niggaz that's sittin on them Dayton

wires

Pump the bass, hit the switch

Cause Ice Cube, Mack 10, and Dub-C, back up in this b-  
i-itch

Straight hoodsta for life, ain't no lookin back

Ink in my flesh, WestSide tattered on my chest

Walkin with the shadow of death

Through the land of the skanless, South Central Los  
Angeles

Home of the Crips and the Bloods

Where even the strongest niggaz is drug through the  
mud

And visitors from outta town best to stay in Hollywood

You get that tourist ass ganked strollin through my  
hood

West coast till the casket drop

I be throwin it up, so motherfucker West Up!

Verse Two: Mack 10

It's gun ho Mack one-oh please you can't fuck wit deez

Ice Cubez and Dub-Ceez is my G'z  
And hip-hop, top three niggaz the new bosses  
Never slippin cause we flosses, packin Nina Rosses  
Nigga, thought you knew how we do it  
Ain't a Damn Thing Changed, always on them thangs  
forever and a day, so back up, gimme room, don't  
neglect  
Just respect and everything I can't check I wreck  
Now you can cross out the bustas and snitches  
Shit only killers hootchie bitches and hot hydraulic  
switches allowed  
On the turf where the real hogs dwell  
Sewed up the hood, the fattest bolas on the block for  
sale  
Inglewood City, the throne I call home  
Niggaz be so bright, you might need your locs on  
to bail through, it's fin you're in with Mack 10  
And I gotta confess up, nigga this West Up! for life  
Chorus

Verse Three: Ice Cube

Now I got ta show you how the West coast rocks  
No razor blades, in my mouth, just a glock  
And I'm hittin you up, with that W-S  
The sun, rises in the East, but it sets in the West  
No gold teeth, you gets a wreath  
So hand me the goodies, stockin mask, no hoodies  
Christmas day, I'm in a tre  
While some of you niggaz got the robe reindeer and a  
sleigh  
We don't call it five-oh, we call it one time  
It's my life my life my life my life, in the sunshine!  
One nine weighs a ton  
How the fuck you think that the West was won?  
Now shit can be squashed over a forty ounce of  
backwash  
No jokes, the land of locs and hundred spokes  
In the East, we can be brothers  
But when you come to L.A., watch your motherfuckin  
colors

West Up! nigga

Chorus

Verse Four: WC

Give it up, give it up  
Like the nigga James Brown, me and my niggaz are  
puttin it down  
So bustas be wary cause see we represent the city  
Where niggaz caught slippin is left with they brains  
drippin  
City of the Angels, more like a concrete jungle  
full of macks Cadillacs and crack sacks  
I pledge allegiance to the shit till I die

[Mack 10] So let the five-twenty slide and put it down  
from the WestSide  
Chorus  
WestSide!!!  
("Throwin up the W")
