Tadori tsuku tougenkyou
Miteru dake bouenkyou
Sagasu furishite nigete kita
Kono mama de douyatte? Doko made mo souyatte?
Taisetsu na koto wa sugu soba ni

Mitsuketa chiisana hana ni ookina tsuyosa o
Wasureta hazu no kako ni ima torimodose

Dare hitori hitori ja nai michi ga togirete mo
Tada takaku tobereba ii tomo ni tobereba ii bokura wa
Wasurete wake ja nai omoidasu how to fly

Me no mae no konnan o norikoeru kantan sa
Chotto dake me wo fusetereba ii
Kono mama de douyatte? Doko made mo souyatte?
Taisetsu na mono kakushita mama
Shisshita takara mono o mune ni kizameba
Furikaeru dake no kako ga ima kakedashita

Dare hitori hitori ja nai kabe ga saegitte mo
Ima ga toki hanatsu toki asu o egakerusa kanarazu
Osanaki mune wa shitteta hazu sa

Kondo kimi ni au hi wa kitto motto
So strong tsuyoku aritai

Dare hitori hitori ja nai, michi ga togirete mo
