You can stay at the Charles Mansion  
when there is no room at the Inn.  
A feast of friends, the Best of Tension  
You've lost your virginity again.  
Our family welcomes you inside  
Please come join us / do not hide.  
You and all your friends are welcome  
Please come in.  
Here is where you find yourself.  
You're intent on joining  
She's a whore / you're the guest.  
Become a part of the family feast.  
You belong.  
First, try to sit if you have no fear.  
Patty Hearst wouldn't like it if she were here.
