whenever you feel like it..
where ever you feel like it..
how ever you feeeeeel like it..... I like it
your wild, your crazy
you're not like other people baby
you're a devil, your a rebel
that's why I need you baby

your keeping my up all night
your making me feel alright
you march to the beat of your own drum baby
you can come to me

whenever you feel like it..
where ever you feel like it..
how ever you feeeeeel like it..... I like it

your dark, your stormy
you really do it for me
I'm here, I'm waiting
use your imagination

your keeping my up all night
your making me feel alright
you march to the beat of your own drum baby
you can come to me

whenever you feel like it..
where ever you feel like it..
how ever you feeeeeel like it..... I like it

your hearts beating with the rhythm of love
don't stop now I cant get enough
my hearts beating me to death
I cant catch my breath

your keeping my up all night
your making me feel alright
you march to the beat of your own drum yeah
come on, come on, come on

whenever you feel like it..
where ever you feel like it..
how ever you feeeeeel like it..... I like it

you can hold me there
you can call on me
you'll be fine with me

whenever you feel like it..
where ever you feel like it..
how ever you feeeeeel like it..... I like it
