Words too fast to comprehend  
They spin around my head again  
As thoughts melt slowly into time  
She tells me how it is to feel  
It's summer time a time to steal  
Love, and swim away into the sunrise

Chorus:

Would you stay with me  
Till the sky falls down?  
Would you be my queen  
If I were your king?  
Would you wear my crown?

And she talked about her vicious past  
Which challenged her but it didn't last  
It ran her down, but she's too fast  
And as night surrendered to the day  
Minds well-refreshed, but in dismay  
A long way home, A long way to go

Chorus:

Would you stay with me  
Till the sky falls down?  
Would you be my queen  
If I were your king?  
Would you wear my crown?

Infectious vibes to penetrate  
While nervousness disintegrates  
Saddened she could only be  
Another August memory  
Yeah (x7)  
Another memory, yeah yeah, for me

Chorus (x2):

Would you stay with me  
Till the sky falls down?  
Would you be my queen  
If I were your king?  
Would you wear my crown?
