The moon lights up the sky
And tries to hide the stars that surround
Your face, in the middle
I can feel your heart
And it's beating, it's beating
Out of control
Trying to keep time with mine
And I wish you were here
Instead of filling my mind

Cause it's just me
Out, by the sea
Alone, being me
And I don't need anything
For a while at least
Yeah (x5)
For a while at least
Yeah (x5)

One look in your eyes
Takes me away from all that surrounds
Your soul, spirit of beauty
You could ease my mind
But it's spinning, it's spinning
Out of control
Dizzied by the ocean tide
And I wish you were here
Instead of filling my mind

Cause it's, just me
Out, by the sea
Alone, being me
And I don't need anything,
Anything
For a while at least
Yeah (x5)

And I can't seem to let you go
But I don't think I ever want to anyway
And I just needed some time girl,
Just to,

Just to,
Just to get away
Get away

Cause it's, just me
Out, by the sea
Alone, being me
And I don't need anything,
Anything
For a while at least
Yeah (x5)
While at least
Yeah (x5)

While at least
Yeah (x5)
