Holidays are for Hallmark
And for fools like you
Does it ever get better?
Does it ever get better?
Cause it's a simple thing
Just to lose control and think of you
And I don't wanna remember
And I don't wanna remember
Sundays are for sleeping in
And waking up tired
And I don't wanna roll over
And I don't wanna roll over
Stores are stocking up
Their shelves for Christmas time
And it's barely October
And it's barely October
Ohhh...

The holidays are for Hallmark
And for fools like you
And I can't wait till it's over
Yeah, I can't wait till it's over
And what I see is half of a glass
Is really half of a glass
And it's me that's run over
And it's me that's run over
The morning floor is freezing
Just like winter time
And it's barely October
And it's barely October
Ohhh...

And at Christmas time
I've half a mind to see it through
Ohh...
Oh, the yule tide makes you wanna
wondering how I'll ever make it through
without you
Ohh...

Well holidays are for Hallmark

And for fools like you
Who don't know any better
You don't know any better
And the woman you love
Is supposed to love you too
But I'm keeping your letters
Yeah, I'm keeping your letters
Cause it's a simple thing just to read them
and to think of you
When I want to remember
