And once you settle down
In this normal little place
In this normal little town
Everything is gonna be alright
And when you begin to see
That this normal little life
Is just okay for you and me
Everything is gonna be alright
Yeah yeah

Chorus:
Cause I'm on my way home
How did I get here? I don't know, no
And I'm on my way home
How did I get here? I don't know
And I don't care

once you get past the past
You'll find today's all you need
To find tomorrow, make it last
Everything is gonna be alright
Once you step outside your door
You'll find that all you have
Is all you need and more
Everything is gonna be alright
Yeah yeah

Chorus:
Cause I'm on my way home
How did I get here? I don't know, no
And I'm on my way home
How did I get here? I don't know
And I don't care

I can't find a way to get out of here (x2)
No (x7)

And once you settle down
In this normal little place
In this normal little town
Everything is gonna be alright

Yeah yeah

Cause I'm on my way home
How did I get here? I don't know, no
And I'm on my way home
How did I get here? I don't know
And I don't care
I'm on my way home
How did I get here? I don't know, no
And I'm on my way home
How did I get here? No no
