Hey girl, where ya going tonight?
Can I tag along?
I'll hold your hand and I'll hold it tight
One last time
I didn't think that I'd see the day
It's been a long, long road
It didn't have to be this way
One last time

And I say,
Hold on
Hold on
Hold on
One last time

Hey girl, will you remember me
As your life goes on?
My love, will you ever see?
One last time
Hey girl, don't you walk out that door
I know that I was wrong
And I regret this forever more
One last time

And I say,
Hold on
Hold on
Hold on
One last time

Hey girl, we can work this out
We've been here before
We don't have to scream and shout
Anymore, woah oh, Anymore, no no
Anymore

Hey girl, where ya going tonight? (x2)
Hey girl, where ya going tonight? (Where ya going? Oh)
Hey girl, where ya going tonight?
