She's the girl who knows just what to do  
When time runs out she's running after you  
You gotta give her what she needs  
So she can do her dirty deeds  
She'll play until her fingers all turn blue

Chorus:

She gets what she wants  
It's more than she needs  
She's the queen of the crane machine  
Hey hey, She gets what she wants  
It's all guaranteed  
She's the queen of the crane machine

She's the girl who always seems to be  
On top of the game, no matter what the fee  
You gotta take her home tonight  
She's only got one thing on her mind  
She'll show you things you never thought you'd see  
Never thought you'd see

Chorus:

She gets what she wants  
It's more than she needs  
She's the queen of the crane machine  
Hey hey, She gets what she wants  
It's all guaranteed  
She's the queen of the crane machine

All these wasted times (wasted times)  
Thinking "What it could be?"  
I wish that she was mine  
I guess we'll have to wait and see  
Yeah yeah yeah

She's the girl who likes tho play herr games  
Mostly cause they always go her way  
She can get any guy she likes  
But she's always on my mind  
And tonight she decided to walk away  
Yeah yeah yeah

Chorus (x2):

She gets what she wants

It's more than she needs

She's the queen of the crane machine

Hey hey, She gets what she wants

It's all guaranteed

She's the queen of the crane machine
