It's not in the car,
It's not in the basement.
It's not in the backseat,
It's not in the vanity.

Chorus:
No oh oh;
you know where it is?
It's the last place you'll look.
Retrace your steps.

It's not in the pantry
or in with the laundry.
Remember you saw it
and wouldn't be happy?

Chorus:
No oh oh;
you know where it is?
It's the last place you'll look.
Retrace your steps.

It's not my place to not remember.
It's not my nature to be careful when I should know
better.

It's not in the afternoons.
It's not in the evenings.
It's everything in between
the night and the morning.

No oh oh;
you know when it hurts.
No oh oh;
Retrace your steps.

Chorus:
No oh oh;
you know where it is?
It's the last place you'll look.
Retrace your steps.
