I'm building up these walls  
They're going up today  
And you're not getting in  
No matter what you say

Chorus:  
Cause I'm all fed up  
and I've had enough of  
all this anyway  
Woah oh oh  
Walls are going up today, yeah  
Woah oh oh  
They're going up today

You got too much to say  
And it's getting on my nerves  
And I can't even think  
And I guess you'll never learn

Chorus (x2):  
Cause I'm all fed up  
and I've had enough of  
all this anyway  
Woah oh oh  
Walls are going up today, yeah  
Woah oh oh  
They're going up today
