"A Long Walk"

You're here, I'm pleased

I really dig your company

Your style, your smile, your peace mentality

Lord, have mercy on me

I was blind, now I can see

What a king's supposed to be

Baby I feel free, come on and go with me

1 - Let's take a long walk around the park after dark

Find a spot for us to spark

Conversation, verbal elation, stimulation

Share our situations, temptations, education,
relaxations

Elevations, maybe we can talk about Cornelle Jovan
Isom

Your background it ain't squeaky clean shit

Sometimes we all got to swim upstream

You ain't no saint, we all are sinners

But you put your good foot down and make your soul a
winner

I respect that, man you're so phat

And you're all that, plus supreme

Then you're humble man I'm numb

Yo with feeling, I can feel everything that you bring

Repeat 1

2 - Or maybe we can see a movie

Or maybe we can see a play on Saturday (Saturday)

Or maybe we can roll a tree and feel the breeze and
listen to a symphony

Or maybe chill and just be, or maybe

Maybe we can take a cruise and listen to the Roots or
maybe eat some passion fruit

Or maybe cry to the blues

Or maybe we could just be silent

Come on, Come on

Repeat 1

Repeat 2

Let's take a long walk around the park after dark

Find a spot for us to spark

Conversation, verbal elation, stimulation

Share our situations, temptations, education,
relaxations

Elevations, maybe baby, maybe we can save the nation

Come on, come on
