Hello Hello Hello Hello Hello Hello Hello Hello

Hello Hello Hello Hello.....Hello

Mmmm, this morning my man Exclusivly

introduced me to some goooood extra lovin'

He was lickin' and suckin' on everything

Just the way he should

This mornings extra lovin' was good

We layed there in bed

sex-funky

Happy as we wanna be

Lovin Exluseivly

My man and me

We layed there all morning all day

So our stumaces were growling hungrily

So I jumped up and rushed to the store

in hope of commin' back to get some more

of this morninigs extra lovin'

At the market the people were pushin' and showin'

tryin' to be the next in line

The turn was my and the

new girl at the counter was

Cute-Not as fine as me  
Was this women's intuition  
some kind of insecurity  
Naaagh, cause my man is happy  
at home lovin' me exclusivly  
So I shook my head  
Wuzup?  
Hello  
She rang me up  
Orange juice  
\$2,29  
She sniffed  
sniff sniff sniff  
Cucumber pie  
She sniffed  
Sniff sniff sniff  
Middlemilk  
She sniffed  
and sniffed and sniffed and sniffed again  
And then replied  
Rahim??  
Rahim?  
Rahim
