honey molasses/ ebony majesty
chocolate brown shuga/ sweet epiphany
i waited for your call but you chooz not to call me
i wonder what happened
were you inside a safe space and too i wondered
were you thinking about me and if you were
why was i feeling so lonely
by the phone/ alone to the bone
although the night before you were in my home my
body my dome
in a circle of passion we paris italy japan africa rome
we made music/ we trombone
it was magic the way it happened/ pure electricity
i felt so excited and afraid at the same time
i don 't know whether to sing or to rhyme
call me
honey molasses/ ebony majesty
chocolate brown shuga/ sweet epiphany
