Woke up this morning
Wit a smile on my face
jumped outta bed
took a shower,
dressed, cleaned up my place
Made some breakfast:
Toast, two srambled eggs, grits
Grabbed my keys,
Grabbed my purse,
Grabbed my jacket off to work
Beaming all the way down third
Is it the way you love me baybay?
2x
4:30
Can't wait to get home
Naw girl go ahead
I got something else to do
Go ahead really
Get your groove on
Cause tonight my man is coming thru
We gon hafta connect some other time(as much as i

like to shake my thang on the dance floor)

I got another nasty, freaky, right in mind

Tonight, I'm gonna beat the high score.

is it the way you love me baybay

repeat

adlib

fade out
