You've got your makeup on
Rock 'n roll Vietnam
Your boots are leather
Pull yourself together
Say yeah, oh yeah

Well, the air is fit to figure
Your sweat mixed in my glitter
Don't be afraid of acting out your age
Oh yeah, oh yeah

'cause we do not have to be a work of fiction
To tear it all apart
I've seen the pictures

Now you know
Once it starts it's hard to stop
Oh my god, i think you've got it
Now you know
I know it's not a new sensation
Oh my god, there is a hope

Ohio's not for lovers
It's all an undercover
Revolution built by institutions
Oh, uh huh

They took a lot of green and tried to make a scene
It's in the malls and on teenage bedroom walls
Oh huh, uh uh
'cause it doesn't have to be a work of fiction
To tear it all apart and make some friction

Now you know
Once it starts it's hard to stop
Oh my god, i think you've got it
Now you know
I know it's not a new sensation
Feeling like a revelation
Now you know
Now you know

Oh baby, now you know
Now you know...

You've got your makeup on
Rock 'n roll Vietnam
Don't be afraid of acting out your age!
Oh yeah, oh yeah, oh yeah, yeah, yeah!

Now you know
Once it starts it's hard to stop
Oh my god, i think you've got it
Now you know
I know it's not a new sensation
Feeling like a revelation

Now you know
Once it starts it's hard to stop
Oh my god, i think you've got it
Now you know
I know it's not a new sensation
Oh my god, there is a hope
