She's a sly cat; plaster white  
Shoots her mouth like a firing squad, uh huh  
See her ruby jive  
Swingin' her hips like the Aphrodite

Well, sugar ain't free, it's a lemonade  
I spit a couple of teeth trying to get her name, uh huh

Flash dance, miss divine  
Bought her a couple mixed drinks and a brandy wine,  
uh huh  
Then she starts to crack  
I slip her my key, she can't hand it back, uh huh

Well she's only 19, but she's doing fine and i've been  
out five weeks and i need a ride, uh huh

My hotel room comes equipped with a very nice  
bedroom and a window miss de milo  
If you want to room 16 at the continental  
Undercover love

Hello femme fatale  
There's an intimate ball at the carnival, uh huh  
Won't you spend the night?  
We can dance to an early light, uh huh

It's you and me and my lips are sealed  
So why not be who you really feel, uh huh

Large hotel room comes equipped with a very nice  
bedroom and a window miss de milo  
If you want to room 16 at the continental  
Undercover love

She said 'do me once again'  
I took the apple from her hand  
She said she knows me  
Yeah, she knows me  
Paris lets her out at night.

My hotel room comes equipped with a very nice  
bedroom and a window miss de milo  
If you want to room 16 at the continental  
Undercover love
