see the stone set in your eyes
see the thorn twist in your side
i wait for you
sleight of hand and twist of fate
on a bed of nails he makes me wait
and im waiting for you

with or without you
with or without you

through the storm we reach the shore
you give it all but i want more
and im waiting for you

with or without you
without or without you
i cant live
with or without you

and you give yourself away
and you give yourself away
and you give
and you give
and you give yourself away

my hands are tied
my bodies briused
hes got me with
nothing to win and
nothing left to lose

and you give yourself away
and you give yourself away
and you give
and you give
and you give yourself away

with or without you
with or without you oh
i can live
whoa

with or without you
oh

whoa
whoa
whoa
oh
with or without you
oh
with or without you
