Words and Music by Linda Scott

(intro-French horn and mostly strings)

Don't bet money, honey, our love will last

Don't bet money, honey, I know the pa-a-ast

You lied to me before and I know

You'll lie, yes you'll lie again

I told you once, I told you twice, and maybe even three
times before

That our love could never be

Now I was right, you know I'm right, oh baby, how you
know I'm right

Can't you see what you're doin' to me

Don't bet money, honey, our love will last

Don't bet money, honey, I know the pa-a-ast

You lied to me before and I know

You'll lie, yes, you'll lie again

Don't bet money, honey our love will last

Don't bet money, honey I know the pa-a-ast

You lied to me before and I know

You'll lie, yes you'll lie, I know I'll be right

You'll lie, yes you'll lie--a-gain.
