(Written By Stefanie Galen)

Don't You know I know, where you go out at night
don't you know that's why I always put up a fight.
I wonder what she's all about, What makes her so good

Chorus:

I'd go on Living this lie, if you would just stay by my
side

I'd go on living this lie, if you would still say I love you

I'd go on living this lie, if you'd tell me the truth and
answer me WHY?

Should I live this lie?

We said our I do's but 4 years ago,
we said our vows so true

I wonder what happen within that time
That I would have to share what is mine

(Chorus)

If you love her as much as you say wouldn't I be put
away?

(Chorus)
