"Crawl"

Performed by Staind)

I'm so lonely

You're so beautiful

Not the only

One who's pitiful

Stretched and torn I lay here in Pieces

Craving all of your deadly vices

Like to think I'm not addicted

But I guess I wear it well

(Chorus)

And I crawl, while you spit

And I crawl, through your shit

Here I am now

Not a lot has changed

Nothing better

Everything's the same

Late at night I can hear your voices

Talking shit about my choices

You would think that you've known me forever

just because you know my name

(Chorus)

And I crawl, while you spit

And I crawl, through your shit

(Bridge)

Everything falls apart (repeat)

(Chorus)

And I crawl, while you spit

And I crawl, through your shit
