The party's alright, I might wanna stop drinking
What were we talking about?
My body won't tell my mind what I've been thinking
Before it's outta my mouth
Ooow

The minute I get upset, that's it, it's over
I'm already outta the room
Why can't I just forget that?
I know what's gonna hurt
There's not much else I can do
Ooow

I'm breaking my own rules
Becoming someone else
Everybody says I oughtta get over myself
I'm thinking I can't move
If there isn't somewhere else
To go

I've probably made mistakes that I've forgotten
It's all ambiguous now
I'd be willing to take the shape of what you wanted

I could just figure it out
Ooow

I'm breaking my own rules
Becoming someone else
Well everybody says I oughtta get over myself
I'm thinking I can't move
If there isn't somewhere else
To go

(ooooooooh)
[x4]

I'm breaking my own rules
Becoming someone else
Well everybody says I oughtta get over myself
I'm thinking I can't move
If there isn't somewhere else

To go

Woah, woah

It's changing my issues

As far as I can tell

Well everybody says I oughtta get over myself

I'm thinking I can't lose

If there isn't somewhere else

To go
