Well I've been taking my time
Slow goings nothing new to me
I've been taking my time
Slide up, just drop everything

I'm falling outta my car
I'm not sure what I'm doing here
So now wherever we are
I'm not sure what I'm doing here

I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash in
I'm not gonna wait for anything to happen
No, aooo

Well I've been talking alot
I'm not saying much of anything

I've been talking alot
I'm not saying much of anything

I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash in
I'm not gonna wait for anything to happen
No, aooo

(well I've been taking my time)
[x2]

I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash in
I'm not gonna wait for anything to happen
No, aooo
