"Coming Clean"

I've been waiting to go
Thirty seconds and slowly counting
Everything that I know I'm doubting
It's so

Check ignition and drive
There must be something that I've forgotten
Everything that I've ever wanted
Was so

If I was wrong then I was wrong
But I'm coming clean
I'm coming clean
I'm coming clean
I'm coming clean
Whatever that means

I must have did it again
I put all of my friends behind me
How the hell will they ever find me
It's so

Was I out of my mind
I'm not sure what I'm trying to do here
All I know is no sign of movement
It's old

[Chorus]

Just because I didn't understand
Doesn't mean that it's not wrong
I'll call it if it's wrong

[Chorus]
