

We Are Scientists "Jack & Ginger"

Visit "[Jack & Ginger](#)" on MotoLyrics.com

Well its about that time
I probably ought to go
No matter what I do
Its way too late for self control

If you liked it
I was hoping I would know
If you liked it
I was hoping I would know

"Whoa oh oh oh
Whoa oh oh oh
Whoa oh oh oh"

Well anything can happen
Both our numbers on the napkins
Drenched in coke and gin
soaking in

On the floor, remember
thanks to all the jack and ginger
every floor has been
encouragin'

well its about that time
who knows whats going on
I guess I should be used
To reading signals in the dark
When the lights hit
I was hoping I would know
When the lights hit
I was hoping I would know

That anything can happen
Both our numbers on the napkins
Drenched in coke and gin
soaking in

On the floor, remember
thanks to all the jack and ginger
every floor has been
encouragin'

"Whoa oh oh oh
Whoa oh oh oh
Whoa oh oh oh
Whoa oh oh oh
"

Well anything can happen
Both our numbers on the napkins
Drenched in coke and gin
soaking in

On the floor, remember
thanks to all the jack and ginger
every floor has been
encouragin'
