

We Are Scientists

"Pie song"

Visit "[Pie song](#)" on MotoLyrics.com

tryin' to get some pie
I don't care...
what inside it.
I eat it anyway.
I just want to be right beside it.
cover it with cheese.
maybe gravy, maybe mash potato.
don't bake one.
don't bake one.
don't bake two.
don't bake two.
bake me three.
'cos two just won't...
dooooooooooooo.

lo bob.
lo.
why we looking like this?

who can say?
maybe it's because...
a-ha are my favourite band ever!
that morten harket,
he make me moist in my special places.
stop! stop! stop!
that far too much informations.
too much or too sexy?
too much.
