

## **We Are Scientists "Ram It Home"**

Saturday night at the big city speedway  
Bikes and knife fights and the girls here are easy

Although you might not get it  
I think you'll see when I ram it home  
Ram it home

All my friends ask if my girlfriend is pretty  
I said "I don't really know I only look at her titties"  
Although you might not get it  
I think you'll see when I ram it home  
Ram it home

I know you won't forget it  
Get on your knees while I ram it home  
Ram it home  
Ram it home  
Ram it home
