Don't be alarmed,  
It's not the end of the world,  
If we're breaking the rules, its fine.  
I disregard this kind of problem all the time.

It's not as if it's gonna kill anyone,  
If there's no victim then there's no crime.  
Just draw another if you think we've crossed the line.

Rules don't stop me,  
Forget about it,  
Rules don't stop me,  
We'll get around it.  
Rules dont stop me,  
Forget about it,  
Don't stop me, don't stop me.

Although it may seem unconventional sometimes  
Indiscretion is worth a try  
If you just play along I promise we'll be fine

So leave your hang-ups back at the door  
When you and I are down on the floor  
Will you know what to do about it  
You know what to do about it  
Rules don't stop me  
Forget about it  
Rules don't stop me  
We'll get around it  
Rules don't stop me  
Forget about it  
Don't stop me, don't stop me

It's not as bad as they say  
If this is such a mistake  
Why does it seem to make you so damn happy?  
This is no time to behave  
Let's both get carried away  
If there's a price to be paid  
It won't stop me

Rules don't stop me

Forget about it  
Rules don't stop me  
We'll get around it  
Rules don't stop me  
Forget about it  
Don't stop me, don't stop me  
They don't stop me, they don't stop  
me.
