Bam ba da da da da da dam, bam, ba da da da dam,
ba da da da da da dam, bam ba da da da dam

Paradise is far away
So they say
But who knows anything anyway
And who knows how the cards will fall
And who knows what lies behind these walls

Don't you wanna come with me
Say goodbye to life of mystery
And who knows how long this life will be
Wait it out with me
Wait it out

Everybody wants to choose
How they'll lose
In the end, you've got no friends in the room
And who knows how the cards will fall
And who knows what lies behind these walls

Don't you wanna come with me
Say goodbye to life of mystery
And who knows how long this life will be
Wait it out with me
Wait it out with me

Bam ba da da da da da dam, bam, ba da da da dam,
ba da da da da da dam, bam ba da da da dam

Don't you wanna come with me
Say goodbye to life of mystery
And who knows how long this life will be
Wait it out with me
Wait it out

Bam ba da da da da da dam, bam, ba da da da dam,
ba da da da da da dam, bam ba da da da dam,
Bam ba da da da da da dam, bam, ba da da da dam,
ba da da da da da dam, bam ba da da da dam
Bam ba da da da da da dam, bam, ba da da da dam,
ba da da da da da dam, bam ba da da da dam
