It wasn't hard to find you, it wasn't hard to hold you

It wasn't hard to keep you this close

It wasn't hard to want you, it wasn't hard to love you

Is it hard to keep you, let me know

that a man's heart and a man's pride, are a
complicated two

Yes a man's heart and a man's pride, are a
complicated two

I wait the sunlight, damn near till the sunrise

I'll wait till the birds fly from sea to sea

I'll walk the fine line and let my shame shine

We're all running out of time, don't you know

That a man's heart and a man's pride, are a
complicated two

Yes a man's heart and a man's pride, are a
complicated two

You are my sunshine, my only sunshine, you make me
happy when skies are grey

You'll never know dear, how much I love you

Please don't take my sunshine, please don't take my
sunshine

Please don't take my sunshine away, away

When you smile at the other girls and they smile back

That's when my eyes get blurry and my heart starts to
crack

And all the troubles of my little world they float away
I'm just a lonely girl

Please don't so. . . take my sunshine no take my
sunshine away
