I didn't believe in love at first sight
'Til you walked in that night
When my eyes met yours it took no time at all
'Cause right then and there I knew
I fell in love with you
There was nothing I could do to stop the fall
And I fell
Like a penny in a wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you
I swore I'd never fall in love again
But somehow forever always ends
When you take the chance girl, that's the chance you
take
There was nothing I could do
To hold me back from holding you
When your lips touched mine I felt the whole world
change
Yes I did
I fell
Like a penny in a wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you
I fell
Like a penny in a wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you
I fell
In love with you
