Andrew Lloyd Webber

from \_Aspects of Love\_

Anything but lonely

Anything but empty rooms

There's so much in life to share

What's the sense when no one else is there?

Anything but lonely

Anything but only me

Quiet is in too much space

That's the thing that's hard to face

And you have a right to go

But you should also know

That I won't be alone for long

The long days with nothing said

Are not what lie ahead

I'm sorry, but I know that's wrong

Anything but lonely

Anything but passing time

Alone is what I'll never be

While there's still some life in me

And I'm still young, don't forget

It isn't over yet

So many hearts for me to thrill

If you're not here to say

How good I look each day

I'll have to find someone who will

Anything but lonely

Anything but empty rooms

There's so much in life to share

What's the sense when no one else is there?

What's the sense when no one else is there
