CHRISTINE

I remember there was mist
Swirling mist upon a vast, glossy lake
There were candles all around
And on the lake there was a boat
And in the boat there was a man

Who was that shape in the shadows
Who's is the face in the mask

(She takes of his mask)

PHANTOM

Damn you!
You little plying pandora!
You little demon!
Is this what you wanted to see?!

Curse you!
You little lying delila!
You little viper!
Now you cannot ever be free!

Damn you!
Curse you!

Stranger than you dreamt it
Can you even dare to look?
Or bare to think of me
This lonesome gargoye
Who burns in hell, but secretly
Yearns for heaven,secretly,but Christine...

Fear can turn to love
You'll learn to see to find the man
Behind the monster this
Repulsive carcus who seems a beast
But secretly dreams of beauty secretly, secretly
oh..Christine

Come we must return

Those two fools who run my theater
Will be missing you
