#### MEMORY

Daylight, see the dew on the sunflower

And a rose that is fading

Roses wither away

Like the sunflower I yearn to turn my face to the dawn

I am waiting for the day

Now Old Deuteronomy, just before dawn

Through a silence you feel you could cut with a knife

Announces the cat who can now be reborn

And come back to a different jellie life

Memory, turn your face to the moonlight

Let your memory lead you

Open up, enter in

If you find there the meaning of what happiness is

Then a new life will begin

Memory, all alone in the moonlight

I can smile at the old days

I was beautiful then

I remember the time I knew what happiness was

Let the memory live again

Burnt out ends of smokey days

The stale cold smell of morning  
The streetlamp dies, another night is over  
Another day is dawning  
Daylight, I must wait for the sunrise  
I must think of a new life  
And I mustn't give in  
When the dawn comes tonight will be a memory too  
And a new day will begin  
Sunlight, through the trees in the summer  
Endless masquerading  
Like a flower as the dawn is breaking  
The memory is fading  
Touch me, it's so easy to leave me  
All alone with the memory  
Of my days in the sun  
If you touch me you'll understand what happiness is  
Look, a new day has begun
