Andrew Lloyd Webber

from \_Aspects of Love\_

Seeing is believing

And in my arms I see her

She's here, really here

Really mine now

She seems at home here

Seeing is believing

I dreamt that it would be her

At last life is full

Life is fine now

Whatever happens, one thing is certain

Each time I see a train go by

I'll think of us

The night, the sky, forever

Seeing is believing

My life is just beginning

I'm touched and my head won't stop spinning

>From winning her love

He's young, very young

But a feeling...

I feel I know him  
Seeing is believing  
And I like what I see  
I like where I am  
What I'm feeling  
What are we doing?  
Can you believe it?  
A starving actress and a starstruck boy  
Oh well, I might as well enjoy  
The moment  
She's warm, and she's wild  
And appealing  
I feel I know her  
Seeing is believing  
I never thought I'd be here  
Is this really real  
Or am I dreaming?  
No way of knowing  
Where this is leading  
It's fun forgetting who we are  
Who cares when now the world is far behind us?  
Seeing is believing  
My life is just beginning  
We touched and my head won't stop spinning  
>From winning your love
