Judas)

There he is

They're all asleep, the fools

(Jesus)

Judas, must you betray me

With a kiss?

(Peter and Apostles)

What's the buzz

Tell me what's happening

Hang on Lord

We're gonna fight for you

(Jesus)

Put away your sword

Don't you know that it's all over

It was nice but now it's gone

Why are you obsessed with fighting?

Stick to fishing from now on

(Crowd)

Tell me Christ how you feel tonight

Do you plan to put up a fight?

Do you feel that you've had the breaks?

What would you say were your big mistakes?

Do you think that you may retire?

Did you think you would get much higher?

How do you view your coming trial?

Have your men proved all worthwhile?

Come with us to see Caiaphas

You'll just love the high priest's house

You'll just love seeing Caiaphas

You'll just die in the high priest's house

Come on God this is not like you

Let us know what you're gonna do

You know what your supporters feel

You'll escape in the final reel

Tell me Christ how you feel tonight

Do you plan to put up a fight?

Do you feel that you've had the breaks?

What would you say were your big mistakes?

Come with us to see Caiaphas

You just love the high priest's house

You just love seeing Caiaphas

You'll just die in the high priest's house

Now we have him, now we got him

Now we have him, now we got him

(Caiaphas)

Jesus you must realize

The serious charges facing you

You say you're the son of God

In all your handouts

Well is it true?

(Jesus)

That's what you say

You say that I am

(Annas)

Now that we have the gentleman

What more evidence do we need?

Judas, thank you for the victim

Stay a while and you'll see him bleed!

(Crowd)

Now we have him, now we got him

Take him to Pilate, take him to Pilate
