Jellicle cats come out tonight

Jellicle cats come one, come all

The jellicle moon is shining bright

Jellicles come to the jellicle ball

Jellicle cats are black and white

Jellicle cats are rather small

Jellicle cats are merry and bright

And pleasant to hear when we caterwaul

Jellicle cats have cheerful faces

Jellicle cats have bright black eyes

We like to practice our airs and graces

And wait for the jellicle moon to rise

Jellicle cats develop slowly

Jellicle cats are not too big

Jellicle cats are roly poly

We know how to dance a gavotte and a jig

Until the jellicle moon appears

We make our toilette and take our repose

Jellicles wash behind their ears

Jellicles dry between their toes

Jellicle cats are black and white

Jellicle cats are of moderate size  
Jellicles jump like a jumping jack  
Jellicle cats have moonlit eyes  
We're quiet enough in the morning hours  
We're quiet enough in the afternoon  
Reserving our terpsichorean powers  
To dance by the light of the jellicle moon  
Jellicle cats are black and white  
Jellicle cats (as we said) are small  
If it happens to be a stormy night  
We will practice a caper or two in the hall  
If it happens the sun is shining bright  
You would say we had nothing to do at all  
We are resting and saving ourselves to be right  
For the jellicle moon and the jellicle ball  
Jellicle cats come out tonight  
Jellicle cats come one, come all  
The jellicle moon is shining bright  
Jellicles come to the jellicle ball
