Up up up past the Russell Hotel

Up up up up to the heaviside layer

Up up up past the Russell Hotel

Up up up up to the heaviside layer

Up up up past the Russell Hotel

Up up up up to the heaviside layer

Up up up past the Russell Hotel

Up up up up to the heaviside layer

Up up up past the jellicle moon

Up up up up to the heaviside layer

Up up up past the jellicle moon

Up up up up to the heaviside layer

The mystical divinity of unashamed felinity

Round the cathedral rang 'Vivat'

Life to the everlasting cat
